FLY & RIDE:
Top 3 Destinations

With the significant expansion of motorcycle rental companies, now is the best time to throw your helmet into a carry on and go ride somewhere warm for a few days.

1. **Phoenix, AZ:** Dry desert, warm temps, and plenty of wide-open places makes Arizona an excellent fly & ride destination. Pick your way down portions of Route 66 or be adventurous and head off into the sand with only cactuses to guide you.
2. **Key West, FL:** While the ride itself isn't all that exciting, it is an extremely relaxing run as you island-hop with the ocean on both sides making your way down to the southernmost tip of the United States. Once there, enjoy the food and the eclectic scene in and around the most laid-back city in the country.
3. **Austin, TX:** Texas hill country is a riders' heaven as you twist and wind your way in and around the Texas countryside. The famous Three Sisters roads are not far off, and you can spend several days cruising the countryside, and as always, stopping at local diners to enjoy the flavors of Texas BBQ.

Toys For Tots
Charity Rides

On Sunday, December 5th, the Chicagoland Toys For Tots Parade will be celebrating its 44th year of bikers providing presents to children at Christmas time.

This annual event in Chicago is always planned for the first Sunday in December, no matter the weather. It has been called "The World's Greatest Motorcycle Parade". Each year tens of thousands of motorcycle riders come to Chicago to ride together and donate toys for needy children. Each rider must bring at least one new, unwrapped toy to donate.

The Toys For Tots parade is now the largest motorcycle parade in the world, providing thousands of children with brand-new presents for Christmas. More information for volunteers and people wanting to participate in the parade can be found at **https://chicagolandtft.org/parade-faq-and-more**

The organizers say "It's all about the kids… For this day, we are one brotherhood/sisterhood, with thousands of riders thinking of the smiles our toys will bring to kids' faces!" Grab a toy and your snowsuit, and head on down to Chicago to join in the ride and gift-giving!

HAVE A LAUGH!

Christian Bikers Fight Hunger With Food Drives

Christmas time is about **MUCH MORE** than toys and Santa Claus. It's also about faith, fellowship, ministry, and food drives to feed the homeless and hungry. And no group of people is more charity-driven than bikers during the holidays.

The Christian Motorcycle Association is one of those groups that helps their community with yearly Fight Hunger Food Drives. They have over 125,000 members and more than 1,200 chapters in all 50 states, and 31 foreign countries. Check with your local Christian Motorcycle Association chapters as planning is likely in full swing for the typical holiday time event.

In addition to collecting donations, the Christian Motorcycle Association also hosts local dinners. This allows those who are struggling with a consistent food source to come enjoy warm food and even warmer company and companionship.

Encouraging Christian riders in their God-given ministries and providing for those in need is an important part of the Christian Motorcycle Association's mission. Check out their website at **http://www.cmausa.org/get_involved/**

If you would like the opportunity to belong to something bigger without the regime and requirements typically found in a Motorcycle Club, there are many Christian motorcycle clubs across the US. Most clubs have multi-state chapters.

Here are a few to learn more about:

- Bikers for Christ
- Last Disciples
- Disciple Christian MC
- Soldiers for Jesus MC
- Chariots of Light

It Only Took 118 Years!

FINALLY… the four founding fathers of Harley-Davidson, the definitive American motorcycle brand, are going to the Motorsports Hall of Fame of America.
