Soak Up the Sun with This Summer's TOP BIKE RALLIES

With long days of summer heading your way, here's a list of Motorcycle Rallies to check out. Some are classic, some a little less known, but all are a great excuse to plan your next road trip.

1) **Myrtle Beach Bike Week:** **Myrtle Beach, SC.** **May 13-22, 2022.** Although technically not a "summer" rally, it should feel like summer in South Carolina in May. MB is known for hosting "blow-it out" Bike rallies each year with hundreds of thousands in attendance.

2) **Americade 2022 Rally:** **Lake George, NY.** **June 7-11, 2022.** A wonderful opportunity to see the picturesque Adirondack Mountains and the location is a perfect gateway to many fun routes nearby. It's all about the ride!

3) **Laconia Bike Week:** **Laconia, NH.** **June 11-19, 2022.** It's the world's oldest Rally-99 years and counting! Scenic rides abound, along with continuous shows, racing, and loads of live music each day and into the night.

4) **Republic Of Texas (Rot) Rally:** **Austin, TX.** **June 9-12, 2022.** It's Austin, so expect an abundance of great music, tasty Tex-Mex, along with traditional Adults-only rides and festivities.

5) **Wing Ding 43:** **Shreveport, LA.** **June 28-July 2, 2022.** This is the world's largest Honda Gold Wing Convention. Held at the Shreveport Convention Center, it hosts a massive indoor trade show and an impressive light and bike show, not to mention the magic of being surrounded by a sea of Gold Wings, Valkyries, F6B 's and Trikes.

6) **Sturgis Motorcycle Rally:** **Sturgis, KY.** **August 5-14, 2022.** No listing is complete without noting the Big Daddy of them all! With over 500K in attendance, the yearly Sturgis Rally is the largest event of its kind in the country (which says a lot for an otherwise sleepy town with a population of only seven thousand). There are miles of fantastic roads to explore along with the chance to hear Snoop Dogg, Travis Tritt, Lynard Skynard and more this year.

7) **Hollister Independence Rally:** **Hollister, CA. July 1-3, 2022.** This rally is said to be the inspiration for the cult classic 1950's movie, The Wild One, featuring Marlon Brando and Lee Marvin. Celebrating its 75th Anniversary, the epicenter of the rally remains its infamous San Benito Street.

HARLEY WINS OUT

As the Most Popular Motorcycle Search in the World

Budget Direct Motorcycle Insurance company conducted an interesting recent study. They used Google Keyword data to work out how often a motorcycle brand is searched for on the internet, by country. If you happen to be a Harley fan, the results will likely put a smile on your face.

1) Harley-Davidson stands out as the clear winner in North America. While there are many great brands and all have tremendous fan bases, when it comes to the brand searched for the most in North America, Harley-Davidson appears to be the clear winner throughout the United States and Canada (with the exception of Mexico where Honda is the most searched for Bike.)
2) South American data shows a clear preference for Honda Bikes, followed by Harley-Davidson and Yamaha.
3) UK Internet users prefer Harley Davidson.
4) Italy's numbers show a clear preference for Ducati, of course.
5) Spain's numbers show more interest in Kawasaki Bikes than any others.
6) India searches show Royal Infields as the most popular.
7) Harley-Davidson also dominates internet searches in much of Europe, Asia, Africa and Australia.

HAVE A LAUGH!

A BIKER'S PRAYER

As I lay rubber down the street,
I pray for traction I can keep.
But if I spin and begin to slide,
Please, Dear God, protect my sweet Ride.

Top Summer Motorcycle Jackets for 2022

Although you may have a special relationship with your favorite leather go-to jacket, that black leather will probably leave you sweltering in the summer sun. Sporting just a T-shirt on summer rides is tempting, but dangerous. Fortunately, there are some great Summer Biker Jacket options. These jackets are made of textile and mesh rather than leather, so they can keep you cool during hot summer rides.

Brandon Wise of Revzilla suggests the following Summer Biker Jackets:

1) **Klim' s Induction Jacket:** Made with Carbonite industrial grade high- strength mesh, this option is designed to give solid protection and generous airflow.
2) **REV'IT! Tordado 3 Jacket:** It sports a load of mesh, plus thermal and hydrate liners to give you plenty of protective options whatever the weather.
3) **Dainese Super Speed textile jacket:** This jacket is super sporty and comes with aluminum sliders on the shoulders as well as a wind proof insert.
4) **Alpine Viper v2 Air jacket:** This jacket is sporty and boasts a significant amount of mesh and CE Level 2 protection.
5) **REV'IT! Eclipse jacket:** An affordable moto jacket with textile main construction and enough mesh to keep the air flowing.
